717.847.2523

## Education

### Rochester Institute of Technology

Industrial Design BFA Program with Web Design & Development Minor  
Music Performance Minor  
Class of 2018  
GPA: 3.7

## Employment

### Byron Conn Design

Summer 2017

#### Furniture Design Intern

Aided in the design and assembly of shop furniture and custom furniture for clients in the Rochester area. Designed poster and website layouts, as well as a plywood step stool.

### ieSimplified

January 2017–present

#### Web Designer & Programmer

Designed & improved websites for ieSimplified users. Adjusted and improved admin editing system for all users in order to optimize interface performance and user experience.

### Aptus Control Systems

Summer 2016

#### Freelance Web & Logo Design

Redesigned company logo based on customer feedback and brand identity. Designed and implemented a new website.

### Rochester Institute of Technology

2014–17

#### ITS Service Desk Representative

Solved RIT managed computer and service problems by ticket, phone, or in person.

### McCormick Taylor

2014

#### Freelance Artwork

Designed a logo for the PennDOT Pond Eddy bridge replacement newsletter. McCormick Taylor specializes in mass transit engineering.

## Extra-curricular

### T-Minus Industrial Design Project

2015, 2016, 2017

#### Manager (2017) & Team Member

Designed, rendered, and modeled a wayfinding system for the Seneca Art & Culture Center, door locks for Schlage, and pet products for Modko. Led a team of design students to meet deadlines while retaining excellent design standards.

### InterVarsity Christian Fellowship

2015–16, 2017–present

#### Vice Pres. & Small Group Coord.

Created and led teams of students to conduct outreach and service events on RIT's campus. Invested in and developed leaders.

### FIRST FTC Robotics Team Imaginelt

2011–14

#### Leading Team Member

Was influential in most aspects of robot design and instrumental in team's advancement to World Competition level in 2012–13 and 2013–14 seasons. Also designed team's tradeshow-style displays for the upper level championships.
